

Dear Colleagues,

We are delighted to announce that the 10th European Sport Medicine - Congress of EFSMA - European Federation of Sports Medicine Associations will be held in Estoril, Lisbon, Portugal from 16 to 18 November 2017 at the Estoril Congress Center.

This joint major International meeting will cover a wide range of scientific knowledge and research in the domain of Sports Medicine and Sports Medicine Associations.

The conference will provide a forum for the exchange of scientific and technical information academic institutions, research organizations and between industry, on the broad range of current and emerging research areas.

Apart from the invited lectures, there will also be scientific sessions for selected proffered papers.

The congress focus is on innovation and organised with indexed and published papers, short scientific papers, as well as posters and workshops.

We look forward to your participation and it will be an honor to welcome you all at the EFSMA 2017 Congress in Estoril, Portugal.

André Debruyne - President of EFSMA 2017
